Director of the U.S. Patent and Trademark Office Washington, D.C. 20231

DEC 0 3 2002

Technology Center 2100

Sir:

In reply to the September 26, 2002 Office Action, and further to the personal interview conducted on November 6, 2002, please amend the above-identified application as follows:

## **IN THE CLAIMS**:

Please replace claim 16 as follows:

(Twice Amended) A system that generates physical objects usable to control a 16.

presentation, comprising:

a controller that associates at least one control element with at least one

control element identifier;

a generator that provides a tangible, sensible identification-carrying device

with the at least one control/element identifier that identifies a function associated with the at

least one control element; and
